

General Education, Diverse Cultures, & Writing Intensive Course Appeal

The University has designated specific courses as approved to meet the learning outcomes for the General Education, Diverse Cultures, and Writing Intensive graduation requirements. Students who wish to use a different course within one of these categories may request a substitution. However, substitutions are not encouraged and are rarely granted.

Deadline: November 1 for fall, April 1 for spring. No requests will be considered less than one (1) month prior to graduation.
