

Minnesota State University, Mankato University Policy	
Policy Name: Graduate Enrollment	Effective Date of Last Review: August 1, 2017
Custodian of Policy: Provost and Vice President for Academic Affairs	Date of Last Review: September 2016
Date of Adoption: August 15, 2006	Date of Next Review: September 2023

POLICY

All graduate students who wish to continue to have access to university services and resources must register for at least one graduate-level credit. In all circumstances, students must enroll for at least one graduate credit the semester they wish to earn a graduate degree.

PROCEDURE

Students will be advised within their programs and will be reminded of this policy each semester by Graduate Studies. Students who submit graduation applications will have their transcripts audited to ensure they are in compliance with the policy.

RATIONALE

Graduate students who are not enrolled often hope to continue to work on their remaining degree program requirements, and to secure library privileges, IT services, consultation with faculty advisors, etc. This policy is intended to have students contribute to the funding of these services.
