

Policy Consultation and Approval Process

Summary of Comments Received during the Informal Review Phase

Graduate Enrollment

A. Individual Comments

- This policy needs to indicate if IT services pertain to email access as it is not clear how an advisor might need to communicate to students to support completion - are students only allowed email access if they graduate?; this policy does not acknowledge that fees associated with the credit enrollment - this needs to be more clear

Response to part 1: No change

The policy includes IT services and Email, Calendar and Storage is a category within the [IT service catalog](#).

Response to part 2: Revision to policy

Added language to clarify that graduates students fund services through the tuition and fees associated with the courses they enroll in.
