

Procedure Name: Mathematics and Statistics Placement

Custodian of Procedure: Provost and Senior Vice President for Academic Affairs

Date of Adoption: September 2022

Date of Next Review: September 2026

PROCEDURE

Students may substitute for the above requirements based on documentation of:

1. Successful completion of equivalent prior post-secondary education, such as course transfer evaluations or Cambridge International Examinations; or
2. Enrollment exclusively in non-credit courses or programs.

Students requesting such substitutions should submit documentation to the Chair of the Department of Mathematics and Statistics for evaluation. The evaluation will be based on nationally accepted concordances between the testing instruments and/or courses. The Chair of the Department of Mathematics and Statistics or designee should respond in writing to student requests within three weeks of receiving them.

PROCEDURE FOR WAIVER

1. Students not meeting the requirements for enrollment in Math 112 or Stat 154 without the corequisite of Math 092 may request a waiver to this policy.
2. Written requests for waivers to the policy must be submitted to the Chair of the Department of Mathematics and Statistics, and should include evidence of alternate means of demonstrating readiness for college algebra and/or college statistics including but not limited to:
 - a. High school or recent post-secondary coursework which would indicate adequate preparation (transcripts or other records which include course titles, levels, and grades), or
 - b. Verification of extenuating circumstances which may have affected performance on previous exams.
3. Request for waivers should be submitted by the following deadlines:
 - a. August 5th for fall semester enrollment,
 - b. December 1st for spring semester enrollment, and
 - c. May 1st for summer session enrollment.

4. The Chair of the Department of Mathematics and Statistics or designee should respond in writing to student requests within three weeks of receiving them.
5. Students whose initial requests are denied may submit a written appeal to the Dean of the College of Science, Engineering, and Technology. The Dean should respond in writing, with a copy to the Chair of the Department of Mathematics and Statistics.
6. The Dean's decision is the final step in the appeal process.
