

Academic Leadership and Appointments

Indiana University of Pennsylvania (IUP), Indiana, PA

IUP is a doctoral, high research activity institution (R2) with an enrollment of more than 9,300 students (headcount). As a comprehensive university, IUP offers 63 bachelor's, 27 master's, and 13 doctoral degree programs in addition to scores of minors, certificates and areas of specialization.

Interim Provost and Vice President for Academic Affairs

August 2021-Present

The Division of Academic Affairs at IUP includes five academic colleges (College of Arts and Humanities, Eberly College of Business, College of Education and Communications, College of Health and Human Services, and the Kopchick College of Natural Sciences and Mathematics), the University College, University Libraries, the School of Graduate Studies and Research, Cook Honors College, and support units: Academic Planning and Accreditation, Academic Administration, Career and Professional Development Center, Center for Teaching Excellence, Information Technology Services, International Education and Global Engagement, the Office of the Registrar, Regional Campuses, and University Writing Programs. In total the Provost has 16 direct reports.

Areas of focus for the Interim Provost

- ◆ Position the Division of Academic Affairs to realize IUP's strategic goals of student success, diversity equity and inclusion, and IUP's doctoral research mission
- ◆ Implement the IUP NextGen Restructuring and Academic Planning started in academic year 2021
- ◆ Lead colleges and academic programs in finding operational and curricular efficiencies
- ◆ Support shared governance and community building

Dean and Professor

2013-2021

College of Education and Communications

The College of Education and Communications (COEC) is one of five academic colleges housing six academic departments. Approximately 75 permanent and temporary faculty serve more than 900 undergraduate and 600 graduate students. The COEC offers 22 degree and certificate programs, six research and service offices/centers, and supports 14 additional K12/secondary teacher education programs university wide.

Selected Accomplishments Achieved through Leadership and Collaboration

- ◆ Strategically managed budgets and endowments totaling \$14 M, aligning budget to priorities.
- ◆ Strived to create a culture of strategic visioning and planning by engaging college leaders in annual priority setting, reporting and ongoing strategic problem solving.
- ◆ Led a multi year, college wide major curricular refresh that included the revision of 12 programs, and the development of the following new degree programs: PhD Counselor Education and Supervision, PhD Educational Psychology (conversion from DEd), MA in Instructional Design and Technology, MA in Strategic Communications, and three new certificate programs.

- ◆ Established a College Diversity and Inclusion Taskforce and facilitated the development and implementation of a College Diversity and Inclusion Action Plan.
- ◆ Facilitated unit and program accreditation with ASHA, CACREP, and CAEP. Most recent CAEP self study resulted in no areas of improvement or stipulations at both initial and advanced levels.
- ◆ Sought college partnerships with regional schools, higher education institutions, health agencies, and media organizations resulting in
 - 300 affiliation agreements.
 - Articulated two new 2+2 programs with regional community colleges targeting regional needs in the areas of Special Education and Middle Level STEM.
 - Increased funding for Graduate Assistantships by \$350,000 with partner support.
 - Expanded School University partnerships to include Professional Development Schools to enhance the engagement and diversity experiences of IUP's teacher candidates.
- ◆ Established a culture of scholarship in the College.
 - Collaborated with the IUP Research Institute to establish the Principal Investigator's Mentorship Academy (PIMA) at IUP.
 - Modeled successful grantsmanship by securing an additional \$2.8M in externally funded (federal, state, and foundation) grants to support College Diversity and Globalization and Teacher Education.
- ◆ Differentiated faculty workload when fiscally possible to highlight individual strengths, and meet unit goals.
- ◆ Launched College Research Clusters in the areas of national and regional relevance: teacher residencies, dual enrollment, increasing the number of students with special needs pursuing STEM related careers, international and global initiatives, and diversifying the teaching work force.
- ◆ Increased Annual and Major Giving from a new high of \$375,000 in 2014 to \$4.6M in 2020 by working closely with a full time development officer and instituting a College Advancement Council and College Development Plan. Benefits include scores of endowed scholarships and two named centers for research and service: The Bill and Judy Scheeren Literacy Center and the Larry S. Sobotka Science Discovery and Outdoor Learning Center.
- ◆ Established a university wide resource, Labyrinth Center, to provide extended services for IUP students with Autism Spectrum Disorder and to train the campus community in working with students with ASD.
- ◆ Led overhaul of academic technology for the College, including classroom redesigns and diversifying the technology platforms. The College was poised to pivot to online teaching and learning in response to the pandemic.

Northern Illinois University, DeKalb, Illinois

Department of Educational Technology, Research and Assessment, College of Education

Northern Illinois University (NIU) is a doctoral, high research activity (R2), national university with a regional mission. During the years of my employment, NIU enrolled more than 20,000 students. The Department of Educational Technology, Research and Assessment is a graduate department with an undergraduate service mission for educator preparation in the areas of technology and assessment. Programs include two master's, one doctoral degree, and three graduate certificate programs.

Department Chair	2008 – 2013
Senior Member of the Graduate Faculty	2001 – 2013
Associate Professor, Instructional Technology	2003 – 2013
Assistant Department Chair	2001 – 2007
Assistant Professor, Instructional Technology	1997 – 2003

Selected Accomplishments Achieved through Leadership and Collaboration

- ◆ Led the development of the Online K12 Technology Specialist Program.
 - The program achieved national recognition through US News and World Report for Online Education Programs in 2012 (Honor Roll).
 - Established new fee based program funding model to diversify department revenue.
- ◆ Designed new educational technology curriculum for teacher education at NIU.
- ◆ Established the Virtual Laboratory School at NIU (now known as NIU SMARTSpace) with internal and external funds.
- ◆ Established a new professional learning conference, LearnIT, fully funded by a donor.
- ◆ Developed innovative credit/non credit topical workshop options as a means for current ETRA students and alumni to engage through professional development.
- ◆ Served as senior personnel on two federally funded grants.
- ◆ Successfully chaired hundreds of masters' student portfolios, and scores of dissertations in the area of instructional technology and related graduate programming in the College of Education.
- ◆ Taught graduate and undergraduate courses in instructional design and technology.
- ◆ Managed 5 state of the art technology rich classrooms and labs.

Other Academic Appointments

Robert Greenblatt Library

Medical College of Georgia (now Georgia Health Sciences University), Augusta, GA

<i>Head, Computer and Education Departments</i>	1992 1996
<i>Assistant Professor, Library Science</i>	
Non tenure, academic librarian track	

Education

Doctor of Philosophy, Instructional Technology
The University of Georgia, Athens, Georgia

Master of Arts, Library and Information Science
Rosary College (now Dominican University), River Forest, Illinois

Bachelor of Arts, Philosophy
Loyola University Chicago, Chicago, Illinois

Scholarship
